

JAIME DE CÓRDOBA BENEDICTO

"The themes are representations of man on earth and its landscapes, wind Cap de Creus, its trees, childhood, the current of the river ... Landscapes lost or retained in memory. Stone, cement, iron, ceramics ..."

Flamicell Art Contemporani

Barcelona, 1961.

Professor of Drawing and sculptural projects at Barcelona University.

He has exhibited regularly in the art galleries Esther Montoriol (Barcelona), Anquin's (Reus) and Flamicell-art contemporary in Barcelona. He has also worked in the Galería Arteria de Igualada, Galería Ángela Rodoja, Jordi Boronat y Leonard of Barcelona, Centro de Arte Serrano of Madrid and Gallery Benedet of Oviedo. An international level, he has exposed in Brussels,

Amsterdam, Den Bosch, South Korea, Rotterdam, San Shutters' and between others also London.

He also has worked in public sculptural art projects in Spain. (Les Franqueses del Vallés) and has collaborated with several Spanish Architecture firms like Guillermo Bañares and Ventura Valcarce in private projects. Finally, he has won prizes in Sculpture, Painting and Drawing in Catalonia.
